

Adam is working to protect Social Security and Medicare and prevent disruptions to benefits caused by partisan bickering. Adam wrote legislation to protect retired veterans against retroactive medical bills from the VA.

Adam has written three bills, together called the End the California Water Crisis Package, which would build water storage capacity, improve water infrastructure, protect water quality, and help Valley farms.

MERCED SUN-STAR

Adam Gray secures nearly \$1.37 million for two community projects in Merced County

11/28/25 | Two projects submitted by Merced congressman Adam Gray were included in the 2026 fiscal year federal agriculture funding package, his office announced in a news release. One will expand mental health services for students in the Gustine Unified School District. The other will provide the Chowchilla Water District with resources to improve regional water safety and reliability.

Vote for Congressman

Adam Gray

 Election Day is Tuesday, **June 2!**

ADAM GRAY was elected to represent the Valley in Congress in 2024. Adam serves on the House Agriculture Committee and Natural Resources Committee. He also serves as the Whip of the moderate Blue Dog Coalition.

In Congress, he has earned a reputation for **bipartisanship and a relentless focus on delivering results.** Adam has championed legislation to reduce the cost of living, cut tariffs on agriculture, build water storage, expand healthcare services, and protect retirement benefits. He has secured funding to rehabilitate a local fire station, invest in flood protection and water treatment projects, and repair roads and infrastructure across the region.

Adam was born and raised in Merced, where he worked in his family's dairy supply and feed store. Before serving in Congress, he ran a small business, taught at UC Merced, and served for a decade in the California State Assembly.

Vote for

Congressman Adam Gray

ADAM GRAY has a long record of delivering results for the Central Valley. In the State Assembly, he secured more than \$200 million to establish a joint medical school at UC Merced and UCSF Fresno. In Congress, **Adam is working for:**

Adam knows that high prices are hurting our valley. Adam wrote the Stop Raising Prices on Food Act to reduce taxes on agriculture that are driving up grocery bills and to make it harder to impose new taxes.

Adam introduced the Protecting Health Care and Lowering Costs Act to restore funding to Medicaid and the Affordable Care Act and provide tax credits to families with ACA healthcare plans.

Valley Congressman proposes new bipartisan effort to crack down on fentanyl crisis

11/5/25 | Valley Congressman Adam Gray is leading a new bipartisan effort to crack down on the fentanyl crisis[...]. The Combatting Fentanyl Poisonings Act would help to expand grant funding for fentanyl awareness campaigns aimed at children. It would also support training programs and equipment purchases for law enforcement agencies tracking and apprehending fentanyl traffickers.

Gray introduces legislation to expand California water infrastructure

12/19/25 | Rep. Adam Gray (D-Merced) is looking to expand California's water storage capacity by providing funding and technical support to both develop and maintain water infrastructure projects. The freshman congressman introduced his End the California Water Crisis Package last week, a series of bills that would authorize additional California water storage projects, ease permitting restrictions, and create enforceable timelines for environmental review processes.
